Application Number 2/98/034/0063B

Applicant Henderson Holdings  
Barn House  
Daffy Lane  
Crayke  
North Yorks YO6 4TH

Date of watching Brief 29<sup>th</sup> October 1998

*On-Site Archaeology* undertook an archaeological watching brief at the above location on the given date. Fieldwork consisted of the monitoring of machine excavation of the strip foundations of a proposed two storey dwelling. These foundations measured 0.70m in depth by 0.70m in width. No archaeological features or deposits were recorded. A natural turf and soil profile was observed above a medium yellow brown sandy boulder clay.
