t how they with idols play, and teach cople too; srwise than little gyrles with puppets do."

HARRY (York).
An answer to the same effect has also been conved from J. W. (Bournemonth).

of thorns and in to distigure ashine." And this

TO CORRESPONDENTS.

- We regret that we cannot inear the syou enclose to us. They had previously considered and declined, term "bum-bailiff" is a corruption of t-bailiff, meaning that the officers had be-bound to the sheriff for the due execution if duties.

me found to the sheriii for the due executive.

—The tim of exchange will place the lender no better position except that of being all one suggested the state of the receivery of the debt with more compitation and certainty. The better security was to prepare.

ADVICE TO AMATEUR GARDENERS,

ities and petunias make beautiful; r pot blooming in the autumn if s i kept regularly stopped to July, not have a high temperature, fue ly, which like shade and moisture.

Cinerarias done blooming should be cut down and planted in rich soil, in a cold frame, to furnish offsets for potting.

HEARTH AND HOME.
